

HUTCHINSON CLINIC WOMEN'S CARE

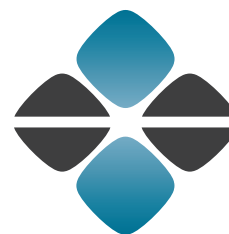

Giving birth is exciting, thrilling...and scary. You and your baby need a medical team who will be with you through every day of each trimester. The right team will guide you through every step of your pregnancy, through the delivery of your healthy baby. Hutch Clinic Women's Care offers the experience you need. Our Ob/GYN's and their nursing staffs are dedicated to helping you have the best pregnancy experience possible.

This good experience includes the financial side. All of our providers charge the same fees, and we outline the charges upfront. The Hutch Clinic will help you make payment arrangements if private pay is necessary, and we offer an interest-free payment plan. If you have questions about the charges in this brochure, please call 620-669-2578 and we will be happy to help.

Our Women's Care doctors and nurses are dedicated to helping you and your new baby have the best possible experience as you meet each other for the first time.
